

Please contact Karl Sauvant (karl.sauvant@law.columbia.edu) if you would like to contribute to the *Columbia FDI Perspectives*. Please keep in mind:

- *Perspectives* are peer-reviewed, op ed style and not more than 800-850 words, including footnotes (which should be used sparingly if at all).
- *Perspectives* are meant to be of interest to a wide audience and concisely to address FDI issues that are topical and policy-oriented.
- Each *Perspective* carries an ISSN number; is distributed to a large mailing list; is sent to the media world-wide; and is distributed also in Chinese.
- A few *Perspectives* have also been published elsewhere as op ed pieces.
