

Call for Papers – Yearbook on International Investment Law and Policy

The Columbia Center on Sustainable Investment (CCSI) is pleased to announce a call for papers for the 2020 edition of the *Yearbook on International Investment Law and Policy*. The *Yearbook* is published by Oxford University Press (OUP) in hardcopy, as an ebook, and as part of OUP's *Investment Claims* online service.

The *Yearbook* monitors current developments in international investment law and policy. We welcome submissions for Part Two of the *Yearbook*, which includes analyses of central thematic issues in the contemporary discussions on international investment law and policy. All papers must be original texts and are subject to double-blind peer review.

Original contributions to be considered for publication in the *Yearbook* are accepted on a rolling basis until February 28, 2021; please send submissions to Craig Gaver (cdg2158@columbia.edu).

Interested authors are encouraged to send their contributions, along with an abstract and table of contents, to Craig Gaver. Footnotes should conform to guidelines available here: <http://ccsi.columbia.edu/files/2019/08/YIILP-Quick-Reference-Guide-2019-rev.pdf>
