

Contracts, Cocktails, Piscos and PSAs

Wednesday, 24 February, 16.45
Mangamarca Room, Lima Convention Center

Oil and mining contracts... Who is disclosing? What are the impacts? What are the lessons? What are the barriers? And what can we all do to help?

Want to know more? Please join us at our side event that will take place in the main conference center—drinks included!

We can promise you a relaxed, informal atmosphere focusing on group discussion and peer learning, rather than long presentations. Please RSVP here to receive further details: bit.ly/pisco-psa

Supported by the Columbia Center on Sustainable Investment (CCSI), the Natural Resource Governance Institute (NRGI), the Open Contracting Partnership (OCP) and the World Bank Group, in partnership with the International Council on Mining and Metals (ICMM), Global Witness, Open Oil and Oxfam America.
