Take the exit for the Henry Hudson Parkway south (the last exit before the bridge). Exit the Parkway at West 95th Street and Riverside Drive and follow the directions "From Riverside Drive and 95th Street," below.
2. **BY CAR FROM SOUTH OR WEST:** Take the New Jersey Turnpike north or I-80 east to the George Washington Bridge. As you cross the bridge, take the exit for the Henry Hudson Parkway south. Exit the Parkway at West 95th Street and Riverside Drive and follow the directions "From Riverside Drive and 95th Street," below.
3. **BY CAR FROM LONG ISLAND:** Take the Long Island Expressway or the Grand Central Parkway west to the Cross Island Parkway north. Cross the Throgs Neck Bridge onto the Cross Bronx Expressway (I-95 south) and proceed as in "By Car from the North," above.
4. **BY CAR FROM THE NEW YORK AIRPORTS**
From LaGuardia: Take the Grand Central Parkway west to the RFK Bridge (formerly the Triborough Bridge), to Manhattan. Follow 125th Street across Manhattan 12 blocks to Broadway, which is under an elevated subway structure. Turn left onto Broadway and go south to 116th Street.

From Kennedy: Take the Van Wyck Expressway (I-678) to the Whitestone Bridge and across. Get onto I-95 south and follow the directions under "By Car from the North," above.

From Newark: Follow directions under "By Car from the South or West," above.

6. **BY TRAIN OR BUS:** Trains to New York arrive at Grand Central Station or Pennsylvania Station, while buses stop at the Port Authority Bus Terminal. Visitors arriving at these stations can take either public transportation or a taxi north to the campus.
7. **BY NEW YORK CITY PUBLIC TRANSPORTATION:** Five bus lines (M4, M5, M11, M60, M104) and one subway line (the #1 local) serve the Columbia neighborhood. The M60 bus is a direct link between campus and LaGuardia Airport. The Columbia stop is 116th Street. Do not use express trains #2 and #3, which follow a different route and do not stop at Columbia University; if you do, be certain to transfer at 96th Street to the #1 local.

The maps page on the Metropolitan Transportation Authority Web site (<http://www.mta.nyc.ny.us/>) has PDF versions of all Subway and Bus maps.
