AND PUBLIC POLICY**

Preventing and Managing Conflict in Energy and Other Natural Resource Investment Relations

**Columbia University, International Affairs Building, Room 1501, 15th Floor
420 West 118th Street, New York, NY
May 13, 2009**

Participant List

Center for Energy, Marine Transportation and Public Policy (CEMTPP), School of International and Public Affairs (SIPA)

CEMTPP—the Center for Energy, Marine Transportation and Public Policy—is dedicated to helping policymakers, business leaders and the general public manage energy in optimal ways. The mission of CEMTPP is to provide an unparalleled and comprehensive education in International Energy Management and Policy (IEMP) and to contribute to informed policy discussion and decision making through original, insightful research. For more information, see: www.cemtp.org

Vale Columbia Center on Sustainable International Investment Columbia Law School/The Earth Institute

The Vale Columbia Center on Sustainable International Investment promotes learning, teaching, policy-oriented research, and practical work within the area of foreign direct investment (FDI), paying special attention to the sustainable development dimension of this investment. It is a joint center of Columbia Law School and The Earth Institute at Columbia University. For more information, see: www.vcc.columbia.edu.
